

1.4 Objective - Body Language

Body language tells the truth. Body language in a job interview gives the interviewer a great deal of information that is not conveyed by the spoken word alone. It reveals whether the candidate is confident, goal-oriented, and focused – or indeed, whether the candidate might actually be bored, insecure, or nervous.

Your objective, should you choose to accept it, is to follow the step – by – step instructions listed below, and fill out any questions. Once you have completed all five objectives of your mission, return this sheet, along with the other five objective sheets to CareerCenter@indianatech.edu. If you have any questions, you can contact HQ at CareerCenter@indianatech.edu or calling at 260-422-5561 ext. 2217. Deadline to complete your mission is January 25, 2021. God Speed!
