

5.5 Objective - Where Can I Intern with My Major?

You've put a lot of time into assessing your talents, values and interests. You've researched careers and identified one that resonates with you and meshes well with your attributes. And, you've worked hard—to acquire a skill set that will make you successful in your chosen field. Now, it's time to go get an internship to apply those skills and concepts learned in the classroom.

Not sure where you can intern with your major or where to search? The career center has a resource for that!

Your objective, should you choose to accept it, is to follow the step – by – step instructions listed below, and fill out any questions. Once you complete all five objectives of your mission, return this sheet, along with the other five objective sheets to careercenter@indianatech.edu. If you have any questions, you can contact HQ at careercenter@indianatech.edu or calling at 260-422-5561 ext. 2217. Deadline to complete your mission is January 25, 2021. God Speed!

- Go to carecenter.indianatech.edu
- On the left hand menu, click on job search resources
- Scroll down to the searching for jobs and internships section and click on internships
- Under the Where can you intern with your major heading, click on list of companies

Find your major to see examples of organizations where Indiana Tech students have completed internships.

List the 3 companies you are most surprised to see:

1. _____
2. _____
3. _____
