

## Need Some Ideas on the Careers Right of YOU?

### Welcome to PathwayU!

Whether you are just starting out, or wondering if another career would suit you better, self-assessments can help you consider different options and confirm types of careers that might be right for you. Research tells us that finding the right career for you requires self-examination of our values, interests, personality, and skill set along with what you view as the purpose of your life's work. That's where

PathwayU is here to help.

#### What can a self-assessment help you do?

- Learn about occupations that are a good match for you
- Decide where you need more training or experience
- Identify the skills you bring to a job
- Write more personal, detailed resumes and cover letters
- Consider careers you may not have thought about before

#### **Step #1: Create Your Account**

#### **Step #2: Complete the Questionnaire**

- This first section will help PathwayU learn more about your current situation and goals for the future so they can better help you in making education and career decisions. It should only take a few minutes and then you will move on to the assessment. Click "Let's Get Started" and complete the questionnaire.
- Next you will be asked to in complete a survey in which you will be presented with several statements about the presence of purpose in your life and career. You'll be asked to indicate the degree to which you believe each statement describes you. Click "get started"

#### **Step #3: Complete the Assessments.**

- Take your first assessment
- Once you have completed this assessment, click on the "take the next assessment" button in to top right-hand corner and completed the next assessment.
- Continue until all assessments are complete

#### **Step #: Explore Careers that Are Right for YOU!**

- Once you have completed all the assessments, please click on the "explore career matches," and the next "explore my matches."
- Next view the careers that are associated with each subject area.
- List below your top THREE careers you researched from your assessment results:
